

Since acquiring Toby Enterprises in 2001 Kasel Industries is taking these hard-working production slicing machines to a new level of performance and reliability. Superbly accurate CNC machining and the utmost care in fitting and assembly will ensure a long production life that will keep pace with your operation for years to come. And you can expect a new level of service from Kasel industries too.

-TOBY SLICING MACHINES

Toby 2100

The Model 2100 Slicer in its 10" and 15" versions was designed to slice multiple stacks of sausage, ham, or molded items and irregularly shaped bacon.
