

# Prodo-Pak<sup>®</sup> PV-215

Prodo-Pak Corporation,  
77 Commerce Street  
Garfield, New Jersey 07026  
Phone: 973-777-7770  
Fax: (973) 772-0471

## Four • Side Seal Packaging

**The model PV-215. Designed, built and serviced by American craftsmen for highest quality four-sided pouch-forming.** Especially suitable for liquids, semi-liquids, powders, portion paks of condiments (mustard, catsup, salad dressing) and granulated products (free flowing and non-free flowing).

### STANDARD FEATURES:

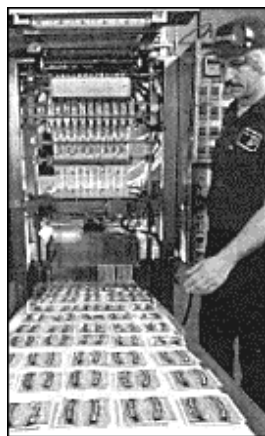

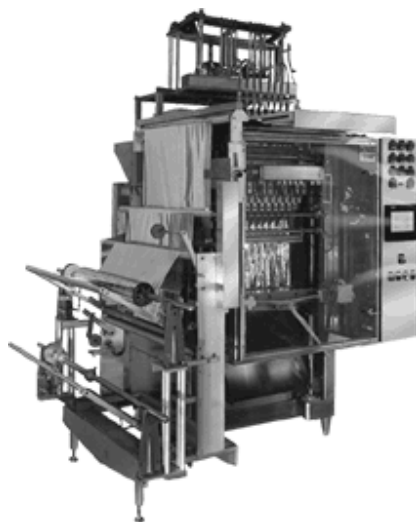

- Digital solid state proportioning temperature controllers for accurated heat control on both vertical and horizontal
- Single side or front and back registration.
- User friendly adjustable web tracking system.
- Bag stripper assembly to ensure

sealers with individual indicators.

- Easily adjustable vertical sealers accommodate package width changes. No additional parts needed. Pivoted platen sealer assembly offers excellent accessibility.
- 

positive cutoff and bag release.

- Microprocessor machine control
