UNSCRAMBLING/ORIENTING

- MODEL: NEH — The Industry Standard — Adjustable Unscrambler for Non-tapered Containers
- MODEL: NEHS — The Mini-Unscrambler — The Smallest Adjustable Unscrambler for Non-tapered Containers
- MODEL: NEHE — The Economizer — Dedicated Unscrambler for Non-tapered Containers
- MODEL: NEHBT — The Universal Bottle Unscrambler — Orients & Feeds Any Shaped Container
- MODEL: NEHHBT — Heavy Duty Universal Bottle Unscrambler — Orients and Feeds Any Shape Container at Higher Speeds
- MODEL: NELEV — Beverage Base Cup Feeder — The Base Cup Orienter/Feeder for the Beverage Industry
- MODEL: NEBEV — The Beverage Machine — The Plastic Bottle Unscrambler for the Beverage Industry
- MODEL: NEMO — The Clean Machine — Bottle Unscrambler for Sterile Room Applications
- MODEL: NEZX — The Midget — Plastic Bottle Unscrambler for Severely Tapered Containers
- MODEL: CL — Optional Bottle Cleaner — For Models: NEH, NEHS, NEHE, NEHBT, NEHHBT, NEZX

SECONDARY ORIENTATION

- MODEL: SO-3 — The Directionalizer — Off Center Neck Container Orienter
- MODEL: SO-5 — The Universal Directionalizer — Orients any Container Based on Graphics or Symmetry

CAPPING & CAP TORQUE TESTING

- MODEL: NESHC — Single Head Capper — Torque Adjustable Screw Capper
- MODEL: NERHC — Rotary Head Capper — Multi Head Torque Adjustable Screw Capper
- MODEL: NEILC — In Line Capper — Multiple Spindle Capper
- MODEL: NESOC — Snap-On Capper — For Lids and Over Caps
- MODEL: NETTSH — The Torque Tester — Quality Assurance Cap Torque Tester

PLUGGING & BOTTOM CLEANING

- MODEL: NES — Automatic Plugger — Interference Fit & Dip Tube Applicator
- MODEL: DBBC — The Bottom Cleaner — Jar & Bottle Base Cleaner

- MODEL: NEPD — Positive Displacement Filler (Single or Multi Head In Line)
- MODEL: NEDP — Depucking — Gap Transfer & Cross Over
- MODEL: NECV — Conveyors & Conveying Systems — Overhead and Table Top
- MODEL: NEAE — Assembly Equipment — Marrying Various Components
- MODEL: NES — Parts Feeding — Sorters
- MODEL: NESP — Interfacing — Synchronization Packages
- MODEL: NEPAP — Pick & Place — Magazine Feeding and Stacking
- MODEL: NESW — Pucking — Container Placement Into Carriers/Holders

THE INDUSTRY STANDARD

Adjustable Unscrambler for Non-Tapered Containers

★ Featuring Our Custom Designed
Non-Scuffing, Non-Marring Transfer
Belts

• Up to 400 CPM

OPERATION:

The NEM Model NEH Adjustable Bottle Unscrambler/Feeder is designed for high speed handling of non-tapered containers and is quickly and fully adjustable for a wide range of container sizes, shapes and materials. It automatically takes decorated or virgin bottles from a bulk, random supply hopper and places them firmly on your packaging line conveyor for downstream filling, decorating, palletizing, casepacking, etc.

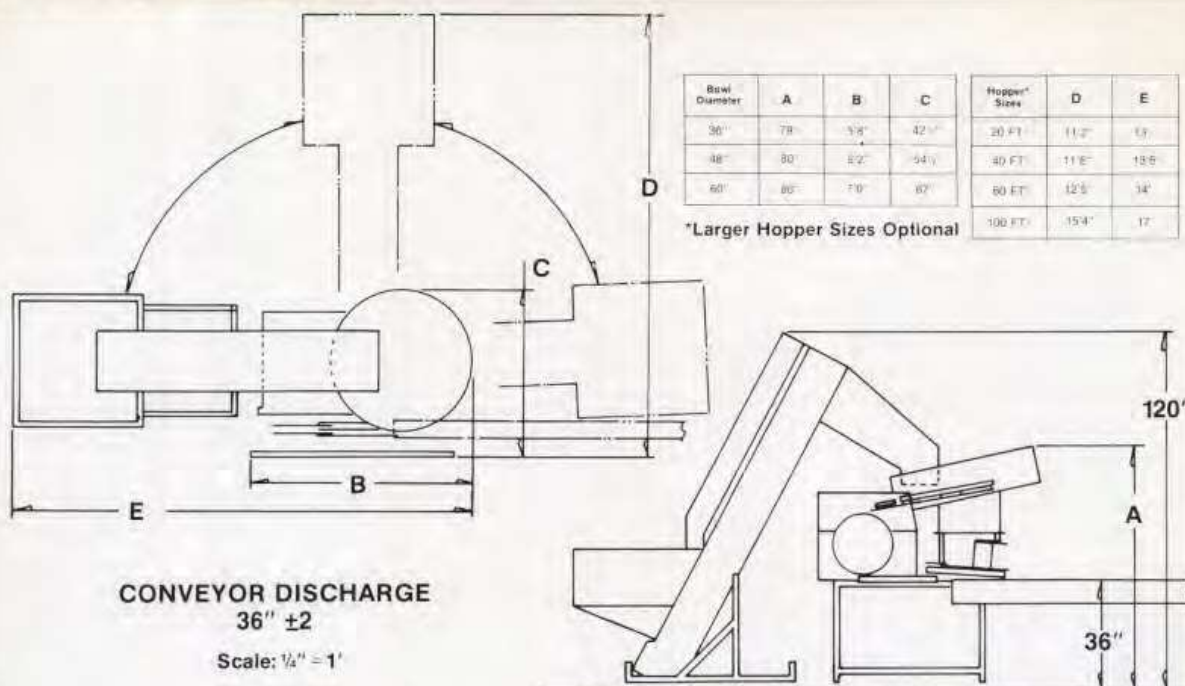

INDUSTRIES:

PERSONAL CARE • TOILETRY
DECORATING • PHARMACEUTICAL
MOLDING • AEROSOL • PAINT
AUTOMOTIVE • STERILE • FOOD
BEVERAGE • HOUSEHOLD
CAULKING • ADHESIVE • CHEMICAL
MOTOR OIL • COSMETIC

FLOOR PLAN & ELEVATION

GENERAL SPECIFICATIONS

- Electrics — 115V, Single Phase, 20 AMPS, 60 HZ
- Air — 5 CFM Max @ 80 PSI, 15 CFM With Cleaner
- Speed — Up to 400 BPM Depending On Bottle and Bowl Sizes

STANDARD FEATURES

- Stainless Steel and Anodized Aluminum Construction to Meet Good Manufacturing Practices
- Clear Plastic Safety Covers
- Completely Automatic, With Line Backlog Photo Eye
- Open Design Means Ready Access For Maintenance
- Torque Limiting Slip Clutches Prevent Equipment Damage
- NEMA 12 Electrics
- SCR Controlled Variable Speed Drives
- Smooth, No Vibration Used
- Easy and Quick Size Changeovers

AVAILABLE OPTIONS

- Power Transformer for Any Supply Requirements
- Other NEMA Requirements
- Various Supply Hopper Sizes
- Clear Plastic Covers for Storage Hopper & Elevator
- PC Interfacing
- Container Per Minute Counter
- Supply Hopper Low Level Warning System
- Inverting Bottle Cleaner With Ionized Air Blast and Vacuum
- Non Contact Bottom or Side Coding Interfacing, Single or Double Head
- Synchronized Discharge Functions
- Spare Parts Kits
- Custom Engineered Functions
- Safety Interlocks
