

2-EZ[®]

Combi
Packaging Systems LLC

Case Erector/Bottom Taper

For optimum durability, reliability and value, the Combi 2-EZ[®] is your clear choice for case erecting and bottom sealing. This proven machine is built with the industry's strongest frame (lifetime warranty) for the most demanding 3-shift environments. The 2-EZ[®] readily integrates into your existing line. Featuring Combi's EZ-load walk-in case magazine, patented slideout 3M Accuglide II+[™] tapehead, and 2-minute changeover system, the 2-EZ[®] is designed for minimal downtime and years of dependable service. The versatile Combi 2-EZ[®] can form and seal the widest variety of cases, from single wall to triple wall corrugated. Add the Combi 2-EZ[®] to your line for instant productivity.

Features:

- Up to 12 cases per minute
- EZ Load Walk-In Case Magazine
- Heavy-duty welded steel construction
- 2" 3M Accuglide II+[™] Slideout Tapehead
- Two Minute Changeover
- Self-Cleaning vacuum system
- Steel-It Paint Finish
- Guarding Package with Electrical Interlocks
- Right Hand or Left Hand Execution

Benefits:

- Increased Productivity
- No reaching or top loading that can lead to shoulder or back strain
- Rugged; lifetime guarantee on framework
- Easy to replace tape roll
- Minimizes downtime
- Prevents corrugated dust from building up in vacuum suction cups
- Protects Frame from Impact, Abrasion & Corrosion
- Air and power cut off when safety door opens during operation
- Easily integrates into your existing line

Numbered scales and crank adjustments enhance quick changeovers
