BAG SEALING SOLUTIONS

MPS 6140 Table Top Band Sealer

The MPS 6000 series of sealers offer you the highest quality and utmost reliability of any machine on the market at the most effective price. Key design features include; a unique Teflon band tensioner, tool-less access to the seal section, removable sealing sections, the ability to easily add options to the machine in the field, and much more.

The MPS 6140 is a table top bag sealer capable of sealing bags up to 8 ounces in weight. This sealer is capable of sealing bags up to 6 mil in thickness at production rates (3 mil maximum when gusseted).

Designed for 24/7 operation, these sealers are suitable for all production environments.
