

## PHS SERIES

# SEMI-AUTOMATIC ROTARY PLASTIC-TO-PLASTIC CLAMSHELL AND BLISTER SEALING MACHINES

- Patent Pending Hot/Cold process provides safe and efficient sealing of PVC, PETG, GAG PET & similar materials
- Complete machine PLC control with color HMI
- Optional Finished Package Unloader available
- Smooth and reliable table operation with heavy-duty cam indexer and AC variable frequency drive
- Excellent for high volume OEM's and contract packagers

**PHS8-1824**  
with unloader

## Description

**Starview's PHS Series** semi-automatic rotary type Clamshell and Blister sealers are designed for medium to higher volume production requirements. These machines may be used for Plastic-to-Plastic Clamshell sealing as well as conventional carded blisters, full face blisters and half-clamshell styles including applications using Tyvek, foils and other heat sealable lidstock. The PHS Series units are available in three (3), six (6) and eight (8) station designs. The standard machines feature one heated sealing station & one cooled station.

**Starview's PHS Series** rotary heat sealers are designed to include an optional self-standing automatic card feeding system and automatic package discharge system that may be purchased and added at any time as noted in the specification section below. An optional chiller installed in the machine eliminates the need for routing in-plant chilled water to the machine. Casters and a lightweight package hold down system are also offered for greater versatility.

## Specifications

<i>Model</i>	<b>PHS3-1418</b>	<b>PHS6-1418</b>	<b>PHS6-1824</b>
<b>Max sealing area:</b>	14" x 18"	14" x 18"	18" x 24"
<b>No. open stations:</b>	1	4	4
<b>Card feeder:</b>	Not available	Not available	Not available
<b>Finished package unloader:</b>	Not available	Optional-Self standing	Optional-Self standing
<b>Max clamshell/blister depth:</b>	3.0"	3.0"	3.0"
<b>Max clamshell back height:</b>	1.25"	1.5"	3.0"
<b>Avg. cycle speed clamshell pkg:</b>	1-6 cpm	1-12 cpm	1-12 cpm
<b>Avg. cycle speed blister pkg:</b>	1-8 cpm	1-15 cpm	1-15 cpm
<b>Approximate size:</b>	55"W x 50"D x 70"H	66"W x 70"D x 70"H	88"W x 105"D x 90"H
<b>Approximate wt:</b>	1,500 LB.	2,200 LB.	2,900 LB.
