

Columbia

The Model FL2000 floor level palletizer is flexible, energy efficient, loaded with safety features and EASY: easy to install, easy to operate, easy to maintain, easy to adjust and flexible for tomorrow's unknown packaging challenges. Requiring no modification, the FL2000 can handle a wide variety of package types, including cases, trays, totes, film only and display packs from a variety of industries including canned and frozen foods, beverage and many more. The FL2000 palletizes 20 cases per minute or more, depending on case size and pallet pattern. Like all Columbia Machine palletizers, the FL2000 has a heavy duty steel frame that is built to last and is EASY TO OPERATE.
